Industry Concerns

Supporting Soldiers Through Contracting

- Manpower Reporting Requirement to the Assistant Secretary of the Army (M&RA)
 - Missing, incorrect or unrecognized data fields within the reporting system
 - Requires additional communications with contracting personnel
- Acquisition Process Delays Increasingly Troubling
 - Increasing bureaucratic red tape
 - Personnel shortages
 - Ineffective automated procurement system
- What is ACA doing to fix these issues?

Centralization Focus from ACASR Reorganization to PARC of Centers

Supporting Soldiers Through Contracting

- Improved Customer Satisfaction and Customer Relations
